CAREER SPINE

2014

LMP2 Masters — champion

LMP2 Masters champion — the youngest champion in category history at 16 — an early anchor on the sportscar pathway.

2021

British Kart Championship — X30 Junior

National karting experience including the British Kart Championship X30 Junior category.

2023

Junior Saloon Car Championship

First full season of car racing in a Citroën Saxo VTR 1600 — 13 races and a complete learning year in JSCC.

2023–24

Prototype pathway

Moved into LMP machinery, including LMP3 and LMP2 Honda HPD programmes, then an invitation to race the BR01 with Yutaka Toriba — sealing a first cars championship at the Mugello finale.

2024

Goodwood Festival of Speed — Sauber-Mercedes C11

Chance to drive one of the iconic Group C-era machines at the Goodwood Festival of Speed.

2024

Masters Endurance Legends — Champion

Victory in Masters Endurance Legends with the Honda HPD ARX-04b — headline silverware in sportscar racing. Donington Park LMP2 lap record 1:01.116 at the 2024 Masters Historic round (see Wikipedia lap records table).

NOW

Mark Drain · LMP3 trajectory

Alfie continues racing and testing while coaching Mark Drain through the same programme. BBM Sport is working to secure an LMP3 programme alongside partners — serious partnership enquiries are welcome.

2024 ONWARD — COVERAGE & PROGRAMMES

Highlights since the 2024 season that complement the milestones above — kept current for media and partners.

2026

Motorsport UK Academy — Race cohort

Named among the national Race Academy drivers for holistic performance and career development.

2025

Daily Sportscar — international feature

Sportscar media coverage of programme trajectory and partnership alignment in prototype racing.

2025

Medium — Road to Le Mans

Long-form driver feature contextualising Masters Endurance Legends success and next steps.

2024–25

LMP2-class prototype mileage

Race and test programmes in contemporary prototype machinery — including Masters / IMSA-liveried Ligier JS P2 (#115) shown on alfiebriggs.co.uk.
